Re: Koons v. Piedmont Hawthorne Aviation  
U.S. District Court, Eastern District of PA  
No.: 02-CV-2739  
Our File No.: 129446

Dear Richard:

Confirming our conversation of this date, the identity of the person whom we thought could testify as to the amount of fuel removed from the accident wreckage is Steven Poss of Atlanta Aviation. After speaking with Mr. Poss today, it is clear that he does not have a clear recollection of the fuel removal and therefore, we will not be calling him as a witness.

Should you have any questions, please do not hesitate to contact me.

Very truly yours,

COZEN O'CONNOR
